

Tacolneston UHF Television

BBC 1 (East)	ch 62
BBC 2	ch 55
ITV	ch 59
Channel Four	ch 65
Maximum erp (vision)	250 kW
Polarisation	horizontal
Receiving aerial group	C/D
Mean height of transmitting aerial	151m agl, 221m aod
Transmitter site	near Wymondham, Norfolk
National Grid Reference	TM 131958

The service area is indicated by the coloured part of the map, but the boundary should not be interpreted as a rigid limit. As the quality of reception on uhf can be very different at places only short distances apart, there are, inevitably, small pockets of poor reception which cannot be shown. Details of relay stations are shown overleaf in numerical order.
